PROJECT NAME	Red Oscar POS Inventory Management		
CLIENT	Red Oscar Japanese-Filipino Food House		
DURATION	3 Months & 2 weeks		
START DATE	06/12/25	END DATE	08/01/25
DESCRIPTION	•	•	

DESCRIPTION

The "Red Oscar Inventory Management System" is a comprehensive solution designed to streamline inventory tracking and management for Red Oscar Japanese-Filipino Food House. This system provides real-time visibility into stock levels, automates ordering processes, and helps minimize waste, ultimately improving efficiency and profitability.
